WHAT WE DO

# PRODUCT INFORMATION

## CATEGORIES WE OFFER

We specialize in the design, production and delivery of a broad range of customized concrete mixes carefully tailored to meet our customer needs. Specialty products that include green, self-compacting, shotcrete, high performance, light weight, foamed concrete and pervious concrete to mention a few. We also provide ready mixed concrete screed and mortar.

NORMAL CONCRETE MIXES

DOUBLE BLEND MIXES

TRIPLE BLEND MIXES

HIGH PERFORMANCE MIXES

FIBER REINFORCED CONCRETE

GREEN CONCRETE

SHOTCRETE

WATERPROOF & WATER RESISTANT CONCRETE

SELF-COMPACTING CONCRETE

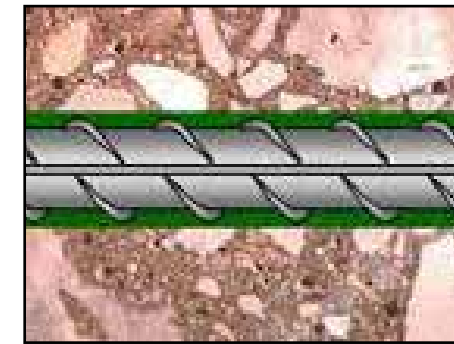

FOAMED LIGHTWEIGHT (CELLULAR)

PERLITE LIGHTWEIGHT CONCRETE

PUMICE LIGHTWEIGHT CONCRETE

CORROSION RESISTANT CONCRETE

PREVIOUS (NO FINES) CONCRETE

TREMIE CONCRETE

# QUALITY ASSURANCE CERTIFICATIONS

We are committed to responsible waste management practices and employ a series of initiatives related to recycling and waste management. We are ISO 2015: 14001 certified which mainly seeks to recognize and adhere to environmental responsibilities in a systematic manner that contributes to the environmental pillar of sustainability. We also have operational recycling plant at Industrial area to recycle and reuse solid waste and waste water produced during the operations.

## NRMCA Conformity Certificates

## Qatar Standard Conformity Certificates

## QHSE Certificate

### Aamal Cement Industries

Aamal Cement Industries is one of the largest block and pavement making factories in Qatar. Products of the Company include Concrete Hollow Blocks, Solid Blocks, Shot Blast Interlocks, Concrete Curbstone, Slab Application (Decorative), Slab Application (Roof), Decorative Slabs (Floor), Concrete Paving Slab or Tile.

WHAT WE DO

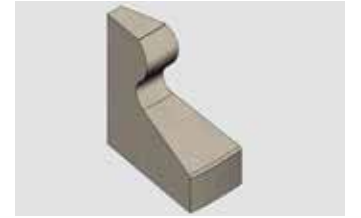

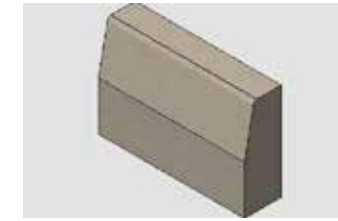

# PRODUCT INFORMATION CATEGORIES WE OFFER

Our plant is equipped with one of the largest block and pavement making machines in Qatar and it has introduced several new products such as concrete retaining blocks, decorative slabs and high strength blocks.

## Products

- Concrete Hollow Blocks
- Solid Blocks
- Shot Blast Interlocks
- Concrete Curbstone
- Traffic Containment
- Slab Application - Decorative
- Slab Application - Roof
- Concrete Decorative Slabs SRC OPC
- Concrete Slabs - Decorative
- Decorative Slabs - Floor
- Directional or Hazard Warning
- Concrete Paving Slab or Tile
- Concrete Wood Effect Panels
- Anti Slip Tiles
- Concrete GFRS Urban Furniture
- Concrete Cable Covers SRC

# PRECAST CONCRETE SYSTEMS

## PRECAST FACTORY PRODUCTS

### Heavy Duty Road Containment System

- Trief Kerb
- Bus-stop Kerb System
- Specialist other Slabs

### Precast Structural Components

- Hollowcore Slabs
- Wall Elements
- Columns, Beams, Joints

# QUALITY ASSURANCE CERTIFICATIONS

We are committed to responsible waste management practices and employ a series of initiatives related to recycling and waste management. We are certified with ISO 9001 Quality Management Standards and ISO 31000 Risk Management standards as well as ISO 45001 for Occupational Health and Safety and ISO 14001 Environmental Management System standards for a positive impact on the environment.
